The Giant

Two friends are riding their bikes.

Suddenly they find that their bikes won't move.

_____ **1:** What's happened to my bike? It won't go.

_____ **2:** I'm stuck, too. Oh! Somebody's grabbing me!

_____ **1:** Someone's lifting me off my bike!

_____ **2:** We're being lifted up above the trees!

_____ **1:** What's happening? Who's doing this to us?

_____ **2:** It's a giant!

_____ **1:** You're right. Look at him. He's as high as the clouds.

_____ **2:** I'm scared. Watch out! He's letting go of us.

_____ **1:** We didn't fall very far, and we landed in a soft place.

_____ **2:** Yes, but it's so dark in here that I can't see a thing.
